

# A Special Message for You...

Dear Partner in Ministry,

Thank you for your generous involvement in the lives of our missionary staff members and their families. For more than 60 years Campus Crusade for Christ has been blessed by a team of partners just like you who have labored alongside our missionary staff through their prayers, words of encouragement and financial gifts. It's likely that you have been giving to one or more staff members for a number of years. That demonstration of faithfulness is so appreciated. Thank you.

I believe we are on the verge of the greatest spiritual harvest in history. And yet, I know there will be challenges. That is why I am writing to you.

The secret of Campus Crusade for Christ does not rest in programs and strategies, but rather its people—our dear staff members who work hard to accomplish what God has called them to do. Yet, I am concerned about their future. Will they have enough resources to contend with a health problem or some other emergency? What if their support slips because donors encounter tough times or pass away?

In order to help avoid interruptions in ministry due to changes in support, Campus Crusade for Christ has established “The Great Commission Staff Legacy Fund.” The goal of this fund is to help staff continue ministering even if a ministry partner passes away or emergencies come up that require significant resources.

I wanted to bring this opportunity to your attention to ensure the staff you support keep reaching people for Christ far into the future—perhaps even beyond your own lifetime. You can arrange to give a lump sum gift now, over time, or through your will, to be invested to provide ongoing, monthly support to your staff.

Thank you so much for prayerfully considering this opportunity to create a legacy for the Lord that will continue to have an impact long into the future. Your faithfulness and partnership with this ministry are greatly appreciated. May God richly bless you!

Yours in Christ,

Steve Douglass
